REMODELERS CORNER

Every Issue of Rochester Women Magazine contains a wonderful column called *Remodelers Corner*. We have partnered with the magazine for years to provide them with Remodelers Council members to highlight. The March/April issue features **members of the Remodelers Council**, as the article reviews our 2013 Community Project at Hiawatha Homes. The project was a complete bathroom demolition and remodel at the Ferguson House, making it more adapted to their specific needs. Check out the article by clicking **HERE!**
