REMODELERS CORNER

Every Issue of Rochester Women Magazine contains a wonderful column called *Remodelers Corner*. We have partnered with the magazine for years to provide them with Remodelers Council members to highlight. In the November/December issue, the creative talents of the crew at **Beyond Kitchens, LLC** is on display. They created a more spacious kitchen with additional storage, and a color palette based on a favorite painting of the clients. Check out the article by clicking [HERE!](#)
