REMODELERS CORNER

Every Issue of Rochester Women Magazine contains a wonderful column called *Remodelers Corner*. We have partnered with the magazine for years to provide them with Remodelers Council members to highlight. The July/August issue features **Reynolds Design and Construction**. The clients had lived with a cramped, outdated kitchen for years, and were looking for better use of the space and a simple, minimalist style. You can check out the article by clicking [HERE!](#)
