REMODELERS CORNER

Every Issue of Rochester Women Magazine contains a wonderful column called *Remodelers Corner*. We have partnered with the magazine for years to provide them with Remodelers Council members to highlight. The September/October issue features **Chladek Construction, LLC**. A 135 year old home in Elgin was expanded and modernized, while still keeping some reminders of its 1880's heritage. You can check out the article by clicking [HERE!](#)
